

IELTS Speaking Test PART 2 Sample Question and Answer by Jane Lawson at DailyStep.com

Question: Describe your favourite shop. You should say:

- where it is
- how often you go there
- what it sells
- and explain why you think it is a good shop.

Answer: My favourite shop is one called Trinity Wholefoods in Hastings, a town on the south coast of England. It is in Hastings town centre, just near the seafront, and opposite the library.

I always make a point of going there every time I am in Hastings, which is quite frequently. **I suppose I go there around twice a month on average**, although the frequency of my visits **depends on many factors**. I would prefer to go there much more

often than I actually do.

Trinity Wholefoods **sells a wide variety of** fruit, vegetables, dried goods such as grains, herbs and spices and many other things. **Most of the food they sell is organic**, meaning that it is grown without pesticides. **Other things it sells are** home-made bread and cakes and so on. **They are all made locally** and are really delicious.

There are several reasons why I think this is a good shop. One of them is **the wide range of its products**, even though it's in a small building. **Another thing I like about this shop is that** it is a cooperative,

meaning that **all the people who work there** have a stake in the shop and a share in its profits. **A further reason why I like this shop is** that it supports local farmers and when food is imported, it is fair trade food meaning that the producers of the food are paid a fair price for it.

I also like the fact that I can buy fruit and vegetables there **without them being wrapped in plastic**, so it's **more environmentally-friendly to shop there**. A final reason is that **the prices are quite low**. Often this kind of shop **tends to be expensive**, but Trinity Wholefoods **keeps the prices down**, which probably **explains why the shop is always so busy**. If I could, I would **do all my shopping there**.
